Two arrested, two sought in pharmacy burglary

BY DENA BISNETTE

Two Louisiana men have been arrested and charged with burglary of a Waveland drugstore and two other suspects are being sought.

According to Waveland Police Investigator Robert Tartavouille, the Waveland Police Department is working with the Chalmette, La., Police Department in an effort to locate the other two suspects.

Richard Seeber, 32, and Robert Bourgeois, 38, both of Chalmette, were arrested Friday at Wilcox Pharmacy on Waveland Avenue after the store's burglar alarm went

off at about 5:23 a.m.

They are charged with one count of burglary each, the investigator said.

Tartavouille said entry to the store had been started through an adjoining wall in the office next door, Waveland Avenue Realty.

Entry had not been completed, apparently because the burglar alarm sounded, the investigator added.

Seeber and Bourgeois have been turned over to the Hancock County Jail. Tartavouille said bond was scheduled to be set Friday.

Assisting the investigator at the scene were Waveland Police Officers L.D. Carter and Brett Ladner and Bay St. Louis Police Officers David Sellier, Jim Wren and Thomas Burleson.

Historical society seeking funds for battle marker

BY DENA BISNETTE

The Hancock County Historical Society is trying to raise money to obtain a historical marker to commemorate an 1812 battle in the Bay of St. Louis.

According to Marker Committee Chair Margaret Gibbons, the battle was a skirmish between British and American naval forces related to the Battle of Lake Borgne.

The State Department of Archives and History has already approved the marker.

However, the state is no longer providing matching funds for historical markers, which cost about \$800, and the society is trying to raise the funds locally.

The historical society plans to place any donations in a saving account for the purchase of the marker.

point of new population growth in the four-county Memphis MSA for more than a decade; its largest city, Southaven, was only incorporated in 1980, but already has a population of almost 17,000.

The county with the largest numerical increase in population over the past four years was Harrison.

Harrison County gained 11,200 people during the five-year time period, with a 7.1 percent increase.

Hinds County remained the largest county in population in the state, increasing its total by 2.9 percent to 258,300.

Although most Mississippi counties showed population gains over their 1980 Census figures, 22 of the state's 82 counties registered population declines.

Ten of these 22 counties are in the Mississippi Delta.

Quitman and Issaquena counties had the largest percentage declines in the state, with losses in population of 11.4 percent and 8.0 percent, respectively.

Hancock women to be honored at state Republican dinner

By BRENDA HEATHCOCK

Three Hancock County Republican leaders will be honored Wednesday at the annual United Republican Fund dinner in Jackson.

Evelyn McPhail, former national committeewoman, Mary McDonnell, president of the Republican Women's Federation, and Dena Curvey, chairman of the Hancock County Republican Party, are among 150 Mississippi Republican women from all walks of life to be honored at the dinner sponsored by the Mississippi GOP.

"Women have played an important role in the Republican party, even when we were new to the political scene in Mississippi," according to Emily Jones, communications director for the Mississippi Republican Party.

McPhail agreed, stating that while women have always been the backbone of the party, they are now taking leadership roles.

Jones also said the volunteer spirit of women in the party will be honored.

According to State Chairman Ebbe Spivey, women to be honored include Republican elected officials, female GOP County chairmen and current and past presidents of the Republican Women's Federation.

Entitled "A Salute to Republican Women," the event will feature former United Nations Ambassador Jeane Kirkpatrick as the keynote speaker.

"Women have played a prominent

role in building the Party in Mississippi against tremendous odds," she said.

"It is particularly appropriate to honor them while having Kirkpatrick to deliver the keynote address," Spivey continued.

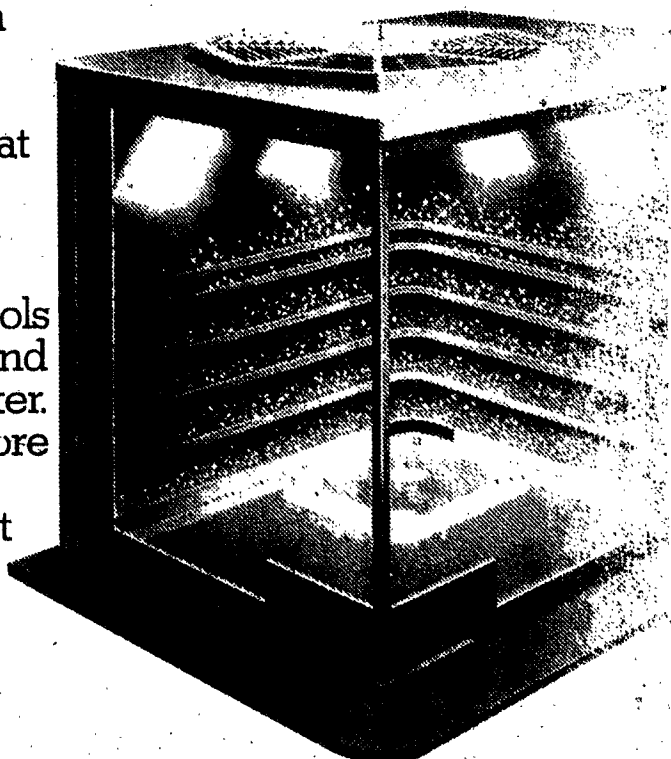

A reception for Kirkpatrick will begin at 6 p.m. at the Jackson Ramada Renaissance on County Line Road followed by the dinner at 7 p.m.

Tickets for both events are on sale now at the Mississippi Republican Party Headquarters in Jackson.

EVERY SEASON IS A WINNING SEASON.

Whatever the season of the year, you'll come out ahead on energy costs and comfort with an Electric Heat Pump.

Why? Because an Electric Heat Pump is the home energy system that cools your home in the summer and heats your home in the winter. And a heat pump can be more efficient than other energy systems. Efficient because it

combines the most effective heating and cooling features in a single energy efficient unit designed to provide an even temperature no matter what the time of year.

Plus it's a simpler, smarter way to keep your house, condominium or apartment more comfortable. And that puts the Electric Heat Pump in a league by itself.

CADET BOYER

John M. Boyer, son of Daniel J. and Kathleen A. Boyer of Waveland, has been officially accepted into the U.S. Military Academy's Corps of Cadets as a new member of the class of 1990 during the annual acceptance parade.

The parade followed six weeks of rigorous basic cadet training at the West Point, N.Y., academy. Training in military customs and courtesies, drill and physical conditioning, tactical exercises and the firing of weapons introduced the basic cadets to military life with special emphasis on leadership, duty, honor and country.

The academy is a four-year educational institution graduating men and women to serve as career Army officers.

In addition to military training, the academy offers athletics and an academic curriculum which includes basic and engineering sciences and social sciences and the humanities.

United Way helps so many citizens

The United Way of Hancock County's 23rd fund raising drive began on Tuesday of this week with a Dutch treat breakfast.

The goal for this year is \$55,000, an increase of \$5,000 over the drive in 1983.

This year Hancock County 4-H has been added as an agency.

This makes a total of 16 agencies being supported by the United Way of Hancock County.

Pat Harvill, was a chairman of a very successful kick-off breakfast held for the 1986 fund drive on Tuesday with a 'Dutch treat' breakfast with some 55 persons in attendance.

In order for the drive to be successful, John Mason, campaign chairman, will need the support of everyone.

In reviewing the activities of the agencies receiving funds from the United Way, residents in the thousands from pre-birth through all age groups are helped by your generous contributions.

Each year more and more businesses are offering payroll deductions to employees, and this has been a big help in reaching our goal.

Contributions by businesses, individuals, and corporations all help.

Those working at NSTL make contributions through the Combined Federal Campaign (CFC), and without their help, Hancock County would never reach its goal.

The officers and directors of the United Way all appreciate your help.

Remember, 'Give the United Way. Thanks to you, it works for all of us'.

Quotables by Cuevas

On Tuesday, the National Space Technology Laboratories will kick-off its annual Combined Agencies Campaign (CAC).

The CAC funds are distributed to the United Way organizations in Hancock, Harrison, Jackson and Pearl River Counties and the Greater New Orleans Area including St. Tammany Parish.

Last week the Combined Federal Campaign (CFC), kick-off was held at Keesler Air Force Base in Biloxi. Contributions to CFC are also distributed to the United Ways of the counties where the employees designate.

Many of the residents of Hancock County are holding governmental jobs. It is important for residents of the county to designate the Hancock County United Way as the receiving agency, no matter where they work.

This helps Hancock County reach its goal whether they are involved in CAC or CFC or an area of another United Way.

The help of everyone is needed.

We have been told a television set will be available to see the football game for those attending the Hancock County Chamber of Commerce's End of Summer Cookout today.

The cookout will be held at Buccaneer State Park from noon to 5 p.m.

We were talking late Friday to one of the chief cooks, who stated the rib eye steaks will be delicious.

We hope to see you after church at the chamber's cookout.

News From The Governor's Office

Gov. Bill Allain

PUBLIC HEARINGS TO HELP PREPARE ANTI-DRUG PLAN

My office, with the cooperation of several other state agencies, is involved in developing a statewide program aimed at reducing and, hopefully, eliminating the use of illegal drugs in our state.

I have named a task force to help develop this program, consisting of state agency directors dealing in the areas of law enforcement, mental health, education, corrections and employment. Public Safety Commissioner James L. Roberts Jr. is chairing the task force.

The major work of the task force will be to identify anti-drug programs presently underway in Mississippi. Whether it's a local school, church group, civic club, youth group, or other activity, we want to know what your program involves and who it serves. In that way, we can determine how it will fit in the state's overall drug prevention program, called the Governor's Alliance Against Drugs.

To get that information more rapidly, the task force and I will host nine public hearings throughout Mississippi in the coming weeks. At these hearings, we want you to tell us about your program. We have tried to spread these hearings across the state, so that everyone involved in the drug fight can easily attend one or more of the hearings.

Dates and locations for the hearings are: Sept. 23, 10 a.m., Meridian, Lauderdale County Courthouse; Sept. 29, 10 a.m., Hernando, Desoto County Courthouse; Sept. 29, 3 p.m., Greenwood, Greenwood-Lefflore Civic Center; Oct. 6, 2 p.m., Jackson, State Highway Patrol Headquarters; Oct. 7, 3:30 p.m., Natchez, Adams County Courthouse; Oct. 9, 3 p.m., Columbus, Lowndes County Courthouse; Oct. 10, 10 a.m., Tupelo, Lee County Courthouse; Oct. 15, 10 a.m., Biloxi, Harrison County Courthouse; and Oct. 15, 3 p.m., Hattiesburg, Forrest County Courthouse.

We urge you to attend and tell us what is presently being done in your community to combat this serious problem or tell us what you think we should include in the statewide program. If you cannot attend, please send us your comments to: James Dixon, Administrative Assistant, Office of the Governor, P.O. Box 139, Jackson, MS 39205.

Bus driver pleads for courtesy from motorists

Editor
Sea Coast Echo
Bay St. Louis

A letter from a bus driver:

You know driving a school bus is a big responsibility. You trust us with your children to pick them up, take them to school and when school is out we bring them home.

Yet we have a big problem driving on 603. We have red flashing lights to let drivers know we are picking up their children for school. Why don't you give us a chance?

We know you are in a hurry to get to work and you see a school bus in front of you and it bothers you because you might be late, and you drive around and ignore the flashing light and you holler at the bus driver, 'Why don't you move?'

Give us a break! Please be patient. You might be late for work, but at least you did not hurt or kill a child.

I promise you, you will sleep a lot better.

IN CONGRESS

By Cong. Trem Lott

KEEPING TRACK OF OUR ENEMIES

To effectively track our enemies around the world, it is imperative that the United States maintain a sweeping intelligence apparatus.

This apparatus must be approved by the Congress, and when the House of Representatives took up the Intelligence Authorization on September 17, we resumed the debate of covert versus overt operations within our intelligence community.

It is the natural instinct of our democratic political system to pursue the goals of freedom through open and public means. The reality, however, is that our enemies under the direction of the Soviet Union are tough, and they fight hard to achieve their communist objectives in Central America, Afghanistan, Cambodia and Angola.

The U.S. must be unencumbered to help those willing to fight with their lives to resist communist tyranny without having every aspect of our foreign policy debated in public and dissected by the Congress.

As my colleague Bob Michel of Illinois observed, "It is as if a chief of police was told he could have a sting operation to catch criminals but would have to publicly announce such operations in advance with time, place, and date and number of police involved."

"He would certainly get a public debate - but he would never catch any criminals."

Liberals in the House on Sept. 17 attempted to apply this principle to our conduct of foreign policy in Angola, where freedom fighters led by Jonas Savimbi are fighting a communist regime supported by an army of more than 30,000 Cubans and Soviets.

House liberals attempted to include language in the Intelligence Authorization which would require the President to tell the communists what he wants to do in areas they have overrun. Fortunately the pro-

ponents of this language were unsuccessful.

Without covert aid, the only options available to the President are the use of diplomacy or the use of military intervention. The history of the last 10 years in Angola shows us that diplomacy will not work.

We have tried through diplomatic channels to get the Cubans and Soviets out of Angola since the communists first seized the government over 10 years ago.

Savimbi's troops have managed to control almost one-third of Angola without our help, but they are hard pressed to keep up with the massive military aid that the Soviets are pouring into their country.

If the U.S. is to prove itself a reliable ally in the cause of freedom, it must be able to deal with Angola's neighbors without waging an openly discussed resistance to a communist incursion.

I find it difficult to understand why we must wage this same debate whenever a country is taken over by communists. The argument offered by the left is that if we do not intervene, they will not intervene; if we disarm, they will disarm.

These arguments have been proven false in Central America, in Cambodia, in Angola and in our direct dealings with the Soviet Union.

Our intelligence apparatus should have no unilateral barriers to keeping track of our enemies. The House was correct in voting to continue covert aid to Angola's freedom fighters.

Long distance rate cut to be up to 24 percent

AT&T will slash 1+ long-distance rates by as much as 24 percent for its Mississippi customers under a Public Service Commission ruling.

"AT&T is extremely pleased to be able to reduce its 1+ rates by an average of 16 percent, or by about \$3.50 million," said R. H. Erkel Jr., assistant vice president for external affairs for AT&T in Mississippi.

Under the price cuts authorized by Wednesday's PSC action, a 10-minute, direct-dialed 1+ daytime call from Jackson to Biloxi will drop from \$4.68 to \$3.65—a 22 percent of \$1.03 savings.

A similar call from Tupelo to Biloxi drops from \$4.78 to \$3.65—a 24 percent or \$1.13 savings.

"AT&T's price reductions resulted from the commission's order that local telephone companies in Mississippi reduce the 'access charges' they levy on long-distance companies such as AT&T. These access charges are built into long-distance rates.

"AT&T has promised all along," Erkel said, "that we would lower

long-distance rates in Mississippi when the access charges we must pay are reduced to a more equitable level. We have kept our word.

"We see this as a real win-win situation for Mississippi consumers and the business community," Erkel said. "In implementing lower carrier access charges, the commission takes a progressive step to affirm that the long-distance business in Mississippi is very competitive, and prices must be driven to cost.

"The 1+ price reductions will be a positive signal to the business community, and Mississippi's climate for economic development will be enhanced," he said.

Erkel added that in pricing AT&T long-distance rates closer to cost, the threat of "bypass" also will be mitigated, which he said benefits all phone users in Mississippi.

The PSC ruling followed hearings and a three-month study by the PSC staff of the bypass issue, which involves private industry and government bypassing the public telephone network by building their own

system.

"The commission is deeply concerned with the potentially devastating effect that avoidable, uneconomic bypass may have on local exchange rates and on the industrial development of Mississippi," the commission said in Wednesday's order.

According to Erkel, lower access charges and long-distance rates take away the incentive for businesses to bypass the network. Erkel said bypass could lead to higher phone rates for all Mississippi customers.

The new AT&T rates are scheduled to become effective Oct. 1.

\$10.7 million reduction in long distance tolls for Mississippi effective Wednesday

"The Mississippi Public Service Commission has ordered all local telephone companies and long distance carriers operating in the state to reduce long distance rates on calls completed within Mississippi.

The PSC also ordered the local telephone companies to shift the loss of subsidy caused by this reduction in the form of a \$1 monthly consumer line charge.

Bypass and its potential threat to the Mississippi residential subscriber are the principal issues

addressed by today's order. According to the Commission, action must be taken now to protect Mississippi ratepayers against the forces at work in the nation that were set loose by the federal government when divestiture was ordered.

The Commission has been studying the issue of bypass for several months which concluded with recent public hearings which clearly indicated that this action must be taken to protect Mississippi telephone customers.

According to the Commission, ac-

cess charges long distance carriers pay in Mississippi to connect to the local network have a built-in subsidy contribution. These charges give large business customers as well as long distance carriers incentives to bypass the local operating telephone company network.

When this happens, the fixed charges associated with providing telephone services remain and have to be borne by the customers remaining on the system. In the long term, this would mean higher rates for all residential subscribers.

The PSC's plan reduces carrier access charges in Mississippi from 6.72 to 4.33 cents per minute. Long distance carriers will pass the savings on to Mississippi ratepayers in the form of reduced toll charges.

An important aspect of this order is the reduction in charges for long distance calls made within and between Mississippi's calling zones.

On calls made within a Calling Zone, the PSC has ordered the greatest reduction on calls within 0-40 mile distance. This reduction ranges from 19 percent to 26 percent.

The Commission explained that these reductions will bring the costs Mississippians pay for long distance calls made within the state more closely in line with rates paid for interstate calls.

The \$1 monthly subscriber line charge is designated to shift the subsidy from long distance to local service for each residence and business access line.

According to the Commission, the bypass threat is not unique to Mississippi; it's a national problem. This action by the Commission will keep telephone rates lower than otherwise would be if bypass were allowed to occur.

These changes will become effective October 1.

SBA advises deadline near for disaster loan applications

JACKSON—Jack Spradling, U.S. Small Business Administration (SBA) district director, advised that Oct. 14 is the deadline for filing Economic Injury Disaster Loan (EIDL) applications for the following Mississippi Counties:

Adams, Bolivar, Copiah, Franklin, Hancock, Hinds, Holmes, Issaquena, Jefferson, Jefferson Davis, Kemper, Lamar, Lawrence, Lincoln, Noxubee, Pearl River, Rankin, Sharkey, Smith, Sunflower, Tishomingo, Warren, Wilkinson, Yazoo.

According to Spradling, "This designation was made following the Secretary of Agriculture's determination that farmers may apply to FmHA for emergency loans as a result of severe storms, including Hurricane Juan, which occurred Oct. 1, through Nov. 30, 1985, in Adams, Bolivar, Copiah, Franklin, Hancock, Hinds, Holmes, Issaquena, Jefferson, Jefferson Davis, Kemper, Lamar, Lawrence, Lincoln, Noxubee, Pearl River, Rankin, Sharkey, Smith, Sunflower, Tishomingo, Warren, Wilkinson, and Yazoo Counties, and Hurricane Elena and its attendant tornadoes, heavy rains and flooding which occurred Sept. 2, 1985, in Adams, Lamar, Wilkinson, Franklin, Jefferson, Jefferson Davis, and Pearl River Counties."

Non-farm/agri-related businesses that experienced serious disruption because of this disaster may apply for an SBA EIDL to permit them to meet financial obligations that could have been met had the disaster not occurred.

However, due to the passage of the Consolidated Budget Reconciliation Act of 1985 (PL99-272), Agricultural Enterprises, as defined in Section 18(b) (1) of the Small Business Act, are not eligible for Disaster Loan Assistance from the Small Business Administration.

To qualify for an EIDL, a non-farm/agri-related business must be unable to obtain funds from other sources and must meet SBA's definition of a small business. EIDLs are direct loans from SBA and cannot exceed \$500,000. The interest rate is four percent. Repayment terms are determined on a case-by-case basis with a maximum maturity of thirty years.

Assistance and forms are available from any SBA office or by writing or calling the SBA Disaster Assistance Division, Area 2, 75 Spring Street, S.W., Atlanta, Ga. 30303.

The toll free telephone numbers are 1-800-334-0309 or 1-800-334-0310. Calls will be taken between 8 a.m. and 4:30 p.m. (EDST) on weekdays. Applications must be postmarked no later than October 14, 1986.

That's why last week I went down to the Hancock Bank branch in my neighborhood and asked for a free HandyCard demonstration.

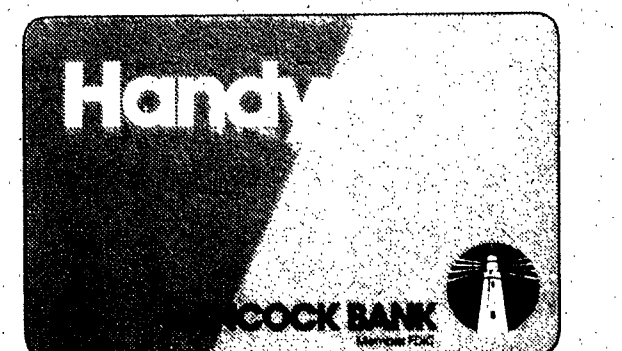

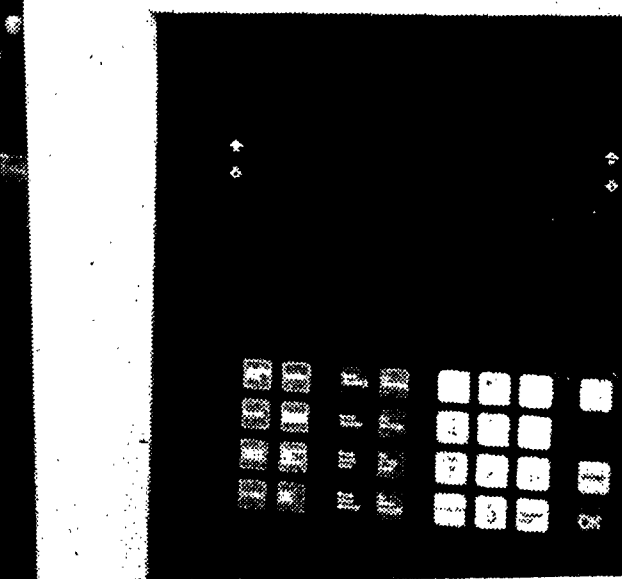

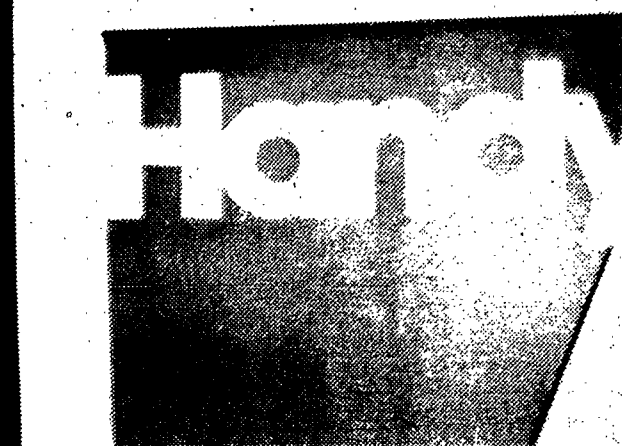

They showed me how to make deposits, check my balance, withdraw cash—all with my HandyCard.

It only took a few minutes. And I walked away feeling great. Now I won't have to wait in line any more to do most of my banking business. Instead, I can use my HandyCard.

You should get a free HandyCard demonstration too. Next time you're at Hancock Bank, just ask for one.

HINC Hawks fly high over Pass Christian Pirates

By BRENDA HEATHCOCK

Although the Pass Christian Pirates stayed with the undefeated Hancock North Central for most of the first quarter, the Hawks scored their first of eight touchdowns with 1:38 left and went on to defeat the Pirates, 53-14.

"The game showed effort by the entire squad and was a good team win with all 49 players getting in on the action," Hawk Coach Irvin Favre said.

Favre said the Hawks did well on offense and defense and specialty teams had a very good night.

"We came into the game a little flat, the players wanted to win the game but it was like they were just going through the motions," he said.

Favre added that the team got it together in the second quarter after the players had talked it up among themselves.

Pirate Coach Alton Wright said the Hawks deserve the state ranking they have.

"The Hawks are a real strong team and they just wore us down," Wright added.

Most all of the Pirate offensive players also played defensive positions and that is really tough while playing a team like the Hawks, he said.

Playing both sides of the ball was necessary due to several players being injured including three linemen.

Wright also noted outstanding play by Hawk Halfback Charles Burton who "stops on a dime and turns it on when necessary."

A high number of turnovers also hurt the Pirates, who fumbled six times and recovered the ball only once and lost possession three times on interceptions.

Hancock led the Pirates in rushing and in total offense with 67 yards. The Hawks rushed 34 times for 248 yards and the Pirates gained 168 yards on 33 carries.

Leading rushers for the Hawks were Delano Lewis with 83 yards; Charles Burton with 78 yards; Tim Cox with 36 yards; Casey Hoda with 22 yards and Donald Vince with 20 yards.

However, the Pirates had 47 yards passing to the Hawks 34.

Pass Christian also led the Hawks in number of first downs with the Pirates gaining 12 to the Hawk's nine.

The Pirate received the opening kickoff and gained three first downs before a pass was picked off by Hawk Vincent Cuevas.

The Hawks fumbled on their first offensive play of the game but regained possession when they recovered a Pass fumble just three plays later.

Pass Christian held the Hawks who had to punt the ball from their own 32 on fourth and 10.

Pirate Quarterback James Redmond handed off to Shinnal Conway for a gain of four but another fumble put the ball in the hands of Hawk Delano Lewis giving the Hawks first and 10 on the Pirate 35-yard line.

Hancock Quarterback Brett Favre connected on his first attempt with Cuevas in the endzone for a touchdown and then ran in the point after attempt himself, adding two points.

Pirate Eric Dawkins received the kickoff on the 18 and added 10 yards to give the Pirates first and 10 on their own 28 yardline.

Under pressure by Hawk Earl Brown, the Pirate quarterback pitched the ball which was intercepted by Lewis.

Favre rushed for nine yards before the Hawks lost their second fumble to the Pirates.

Derrick Benoit gained a yard for the Pirates and Conway added seven more. Benoit fumbled and recovered.

Steven Swanier received a long pass from Redmond to gain the first down but the ball was knocked loose into the hands of Lewis, who recovered the ball for the Hawks.

Carries by Burton, Vince and Lewis brought the Hawks to the Pass Christian 29-yard line.

Burton broke through the line for the score. The extra point kick was no good bringing the score to 14-0.

On the Pirates next series Benoit carried the ball into the endzone but a holding penalty nullified the score.

Hawk Jeff Moran ended the drive for the Pirates when he picked off a pass and returned it for nine yards.

After unsuccessful drives by both teams the Hawks jumped out to a bigger lead when Burton returned a punt 66 yards to score to extend the Hawk lead to 20-0.

Pirate Nate Benard prevented Burton from crossing the goal line again on the attempt for the two-point conversion.

Following halftime activities, the Hawks received the kickoff and Burton ran from his own 7-yard line to score. His 93-yard touchdown run was completed with only 14 seconds being used on the clock.

The Pirates then took the ball to begin their first scoring drive of the game. David Vontoure ran it in from a yard out.

Burton returned the kickoff for 24 yards and Lewis took the ball 73-yards for another Hawk score.

Tim Prince made the extra point.

Pass Christian lost the ball again on a fumble and runs by Cox set up Vince to score on an 8-yard run. With Prince's kick the score advanced to 40-6.

Three plays later the Hawks recovered their fourth fumble of the night and Cox scored on a 20-yard run. Another successful extra point kick by Prince upped the score to 47-6.

The Pirates scored again with 5:29 remaining in the fourth quarter when Benoit made a 33-yard touchdown dash downfield.

Conway passed to Bobby Dedeaux in the endzone to add two points.

The final play of the game was a touchdown dive by Hawk Casey Hoda from about a foot out.

The final score was 53-14.

Bouis, Pratt take singles in SSC Tennis Tournament

The recent First Annual St. Stanislaus Fall Tennis Classic gave area high schoolers a chance to show their skills and to also give head SSC tennis coach Myron Labat an early chance to assess this year's talent.

Steve Bouis employed a booming first serve and deep groundstrokes to overcome Tom Cook in the hard-fought finals of boys open singles division.

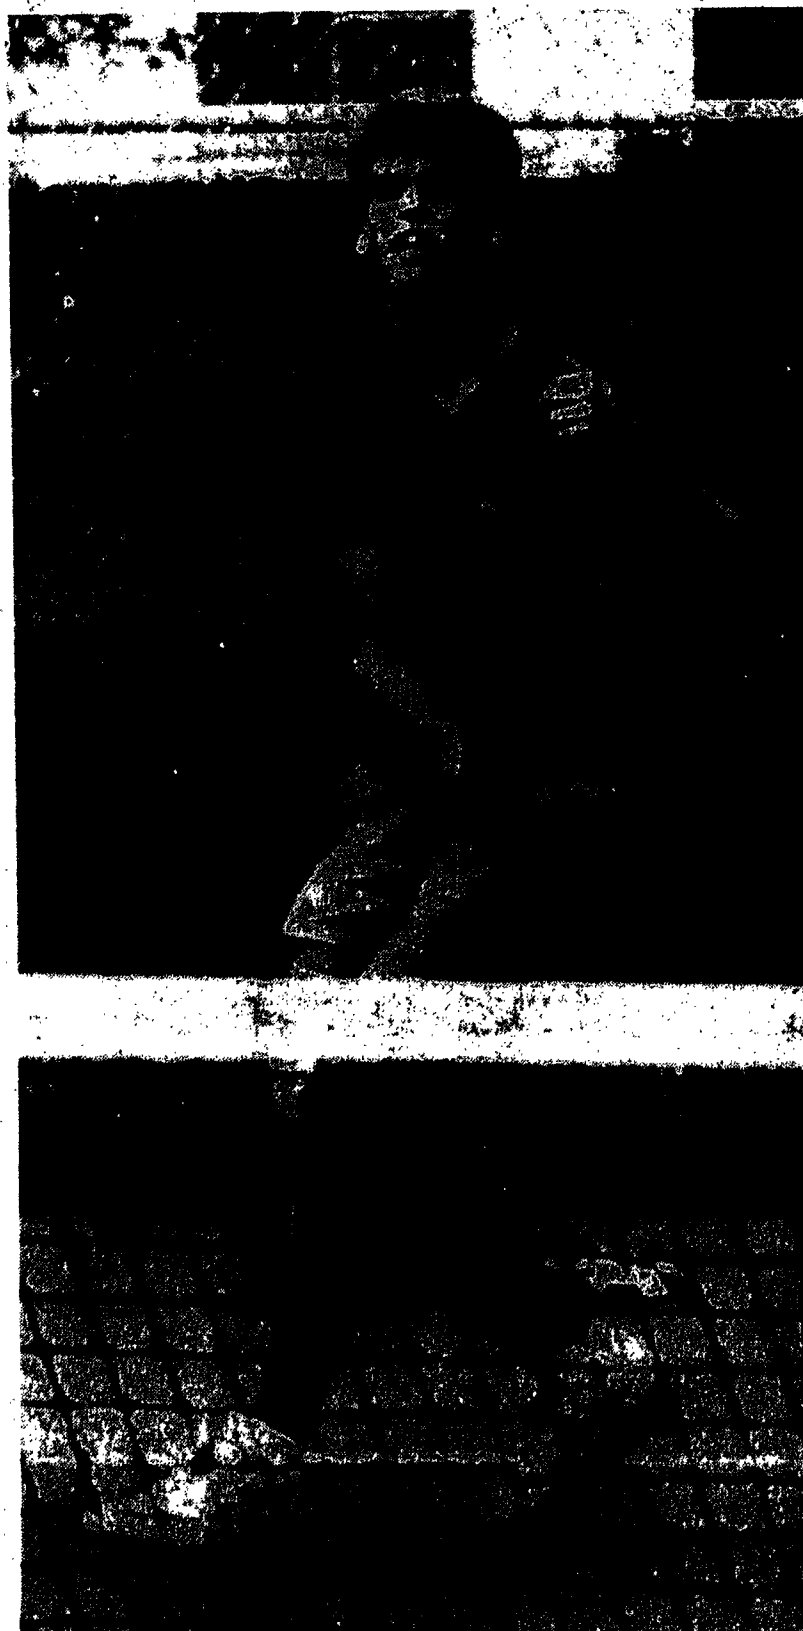

David Bourgeois was the winner of the open consolation bracket.

In the boys 14 division, Phillip

Pratt's well-placed serves and superb net game enabled him to defeat Sean Doublet in the finals of that division.

Mike Wolf was the winner of the 14's consolation bracket.

The team of Steve Bouis and Marco Lau dominated the open doubles with a final victory over Joseph Lee and Scott Heitzmann. Scott Com-eaux and Terry LeBourgeois won the open doubles consolation bracket.

Fall to Bearcats

Rocks come to life in last two minutes

Question... What happens when a high school football team garners five first downs in a two minute period?

Unfortunately, for the Saint Stanislaus Rock-A-Chaws in Friday's contest at Long Beach, the answer was a 28-0 loss at the hands of the Bearcats.

For as exciting as those two minutes were, they came much too late to serve any advantage for the young, injury-plagued Rocks. They were the final two minutes of the game.

But what a two minutes they were!

Taking the ball on the Rocks' final possession of the game, Rock running back Gino Ascani plowed to the 28 on a heads-up pitch out from end Andre Rollins who had scooped up the kick off back in Rock territory.

On the first of five starts in the series, Rock quarterback Ya-Sin Shabazz, moving to a running back position because of an injured poulder, carried the ball to within 10 yards of another first.

After two unsuccessful attempts to move the ball further, Shabazz again took up the slack, and on fourth down carried to the Long Beach 48 kicking up another first.

At the helm, Rock freshman quarterback Shannon Garrett, in for most of the game, connected on a short pitch to Shabazz. And Rock receiver Freddie Wirstrom moved to the 46 on another Garrett throw.

Then Rollins, on a run that eluded most of the Long Beach defense, carried to the Long Beach 33 for another first.

A pass interference call gave the Rocks yet another first, and the ball was resting on the Bearcat's 17.

Seconds remaining...still a shot at the scoreboard.

But the Rocks' hopes died at the eve after a determined run by Shabazz.

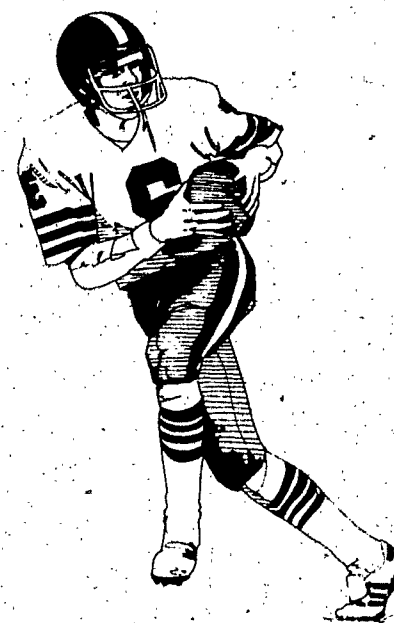

In spite of the disappointing outcome for the Bay St. Louis fans, there were a few other highlights that kept the evening from becoming a total loss. Some standout efforts that bode well for the future of Stanislaus football. Maybe not this year, but certainly in the near future.

Among the standouts, who with a little more experience under their belts will be a force to contend with, are freshman quarterback Garrett and sophomore Wirstrom.

In last week's contest against Mer-

cy Cross, Garrett moved to the play-making position when Shabazz reinjured his throwing arm. A problem that has plagued him all season.

On three successive passes, Gar-

rett connected with Wirstrom. A combination that eventually brought the Rocks a score.

Other stand-out performances

against Long Beach were logged by sophomore Gino Ascani and junior Andre Rollins. Both quick on the draw and fast on their feet, these two short-but-deadly runners are going to make it all click...maybe sooner than some anticipate.

Another Rock to watch is junior Shane Harris. Playing both sides of the field, Harris has been called in to handle play-making duties on several occasions and has been up to the challenge.

Friday, against Long Beach, with Shabazz out of the QB slot for the night, and Garrett suffering a brief leg cramp, Harris filled in on three plays without faltering.

On defense, outstanding performances have been put in by seniors Jose Lau, Blake Boudreaux and David Diboll, as well as juniors Jim Bradley, Jorge Ponjuan and Jerry Fackrell.

On the negative side, injuries have been a problem for the Rock-A-Chaws. Ponjuan was banged up in practice, and Fackrell is recovering from surgery after last week's contest at Mercy Cross.

Although it didn't affect the outcome at Long Beach, senior tackle Lau made a spectacular block of the Bearcats' first point-after attempt,

giving both the fans and his teammates something to shout about, at least momentarily.

Now 0-4 for the season, the Rocks prepare for another tough contest at home. Hancock North Central will invade Rock-A-Chaw stadium this Friday. The Hawks, now sporting a 4-0 record, will probably provide the toughest test yet for the struggling Rocks. Game time is 7:30.

Bay High Tigers pounce on Vancleave for third conference win

BY DENA BISNETTE
The Bay High Tigers pounced on the Vancleave Bulldogs for a third district and conference victory Friday, racking up a basketball-like final score of 54-16 in the process.

Although the Tiger offense took attention away from the defensive unit by spending more time on the playing field, Tiger Head Coach Cleland Williams said he felt his team did well in both aspects.

"We had an overall good effort on both offense and defense. It would be hard to select a few outstanding players because everyone contributed to this win," Williams said.

The coach meant everyone literally: According to Assistant Coach G.L. McRaney, nearly 40 Tigers suited up for the game and all of them saw action.

"Everybody who dressed out got to play. We were able to play a lot of young people," he said.

"It was good experience for them and it gave our veterans a chance to rest," Williams added.

Williams selected two players as outstanding Friday, although he said selection was difficult this week.

DEFENSE—Tiger Guard Courtney Laureys (55) goes up against a Vancleave Bulldog in defensive action from Friday night's game, which was Bay High's third district and conference victory. (Staff photo by Dena Bisnette)

because of the team's overall good performance.

He named Wayne Karl, a running back, as outstanding on defense. Aaron Whavers, also a running back, was named outstanding on offense.

The Tigers received the kickoff from Vancleave and started a running drive that quickly resulted in the first six points of the night.

Quarterback Dwayne Robertson kept the football on an option play, breaking through the Vancleave defense for a touchdown on an eight-yard run.

Brian Laneaux kicked for the PAT, posting seven points on the scoreboard with 9:42 to go in the first quarter.

The Tiger defense contained a Vancleave drive and recovered the ball on a punt. With 7:02 in the quarter, Whavers took a handoff and made a long run around the outside for the second Bay touchdown.

The PAT attempt was unsuccessful and the Tigers led 13-0.

The Tigers took the ball back from the Bulldogs when Britt Woods intercepted a Vancleave pass on the Tigers' own 45 yard line and carried it to the Vancleave 30.

The touchdown was scored on a keeper play by Robertson, who ran the ball in from the 15.

Robertson then passed to Robert Hargett for a two point conversion, increasing the Tiger lead to 21 points.

Vancleave went airborne on the next drive but ran into trouble when a Tiger lineman decided to see if his taped hands could catch a football.

Guard Greg Nicaise intercepted a Bulldog pass on the Vancleave 40 yard line, carrying it to the 32 to set up the next Tiger touchdown drive.

With less than two minutes left in the first quarter, the Tigers tried the night air by passing on the next two plays.

The second pass, from Robertson to Martin Perniciaro, netted Bay High another touchdown and about 15 yards. The PAT attempt failed and the score stood at 27-0 going onto the second quarter.

In second quarter action, Whavers set up a touchdown drive on a 52-yard run that moved Bay High inside the Vancleave 20. The Tigers took to the air again, with Robertson passing to Andrew Collins for another six points.

With a PAT kick by Laneaux, the Tigers increased their lead to 34-0 with 6:15 remaining in the first half.

Woods ended Vancleave's next drive with another interception, this one giving the Tigers a first and 10 on the bulldog 27 yard line.

Quarterback Chad LaFontaine dropped back to pass, putting the bomb into Perniciaro's hands for another touchdown and six more points.

Eddie Bourgeois kicked the PAT, adding one more point for a lead of 41-0 going into the second half.

In third quarter action, Vancleave avoided a shutout.

Tiger Dante Curry intercepted a Vancleave pass, giving Bay High a first and 10 on the Bulldog 47 yard line.

The Tigers were airborne, attempting to drive the ball down the field by passing, when Bulldog Mike Hipp snatched up a fumbled pass and dashed through Bay defenders for Vancleave's first six points and about 25 yards.

Bulldog Pat Seymour ran in for a two-point conversion, posting a

score of eight for the Bulldogs with 4:11 to go in the third quarter.

Exactly one minute later, Vancleave recovered a Bay fumble and started another drive that was interrupted when Nicaise got his hands on the ball again.

Nicaise intercepted a short pass, setting the Tigers up on their own 47 yardline.

After short yardage and a turnover, Vancleave scored a touchdown by scooping up a Tiger fumble and running the ball into the end zone.

Another turnover on the next drive gave the Bulldogs their last score of the night, posting 41-16 on the scoreboard.

With 5:48 left in the fourth quarter, the final score stood at 41-16, with the Tigers leading 34-0 in the conference and 27-3 in the district.

Pomace i

A new use for muscadines

By Karen L. Moore
Mississippi Cooperative
Extension Service

The muscadine industry continues to thrive in Mississippi with new uses for the tasty grape. The latest research focuses on using the skins and pulp in food products.

Betty Ector, an instructor in experimental foods at Mississippi State University, thinks muscadine pomace for home use is possible. Pomace is the by-products of muscadines after the juice is pressed.

The skins and pulp, but not the seed, are used in the food products she and her students have tested.

Those food products include filled donuts, fried pies, tarts, bread, ice cream toppings, ice cream, cheesecake, granola and muscadine newtons.

"The muscadine has a thicker skin than other grapes so there is more waste and a greater need to do something with it," Ector said.

Ector said she became interested in muscadine pomace two years ago when she saw just how much waste there was. Twenty-three hundred tons of muscadines produce 1,000 tons of pomace.

"I saw the juice being pressed here on campus at the Enology Lab and thought there ought to be something to do with the pomace," she said. "I thought about it for a year and then began working on it last year with my experimental foods class."

She said she at first doubted how the pomace would taste, but the experiments proved her wrong. The food products have a sweet, tart flavor and are milder than the muscadine juice.

Ector said the pomace freezes well and would be excellent for home

use in various baked products. The industry is interested in marketing the pomace to the consumer. She said there was also a great deal of interest by those attending the American Society for Enology and Viticulture Eastern Section meeting in Erie, Penn. in August.

Marketing the pomace would pro-

vide more income to muscadine processing plants and lower costs. Currently growers must pay \$15 to \$21 a ton to dispose large quantities of pomace, according to Dr. Lanny Bateman, a professor of agricultural economics at MSU.

"There is interest in the industry and there is potential value in using

the pomace," said Dr. Joseph H. McIlberry, manager of the Food and Fiber Center of the Mississippi Cooperative Extension Service. "But the dollar value is unknown. The cost of turning it into food would have to be less than the cost of disposal."

Nutritionally, muscadine pomace

would be a healthy addition to one's diet. Mrs. Ector said it is an excellent source of water-soluble fiber to lower high blood pressure, serum triglycerides and cholesterol. It also has benefits for diabetics.

Muscadine pomace is high in calcium, potassium, magnesium and iron and low in sodium.

Blueberry, muscadine financing seminar set

The relatively new blueberry and muscadine industries will be the topics of discussion at a seminar in Laurel, Friday, Oct. 3.

Sponsored by the Mississippi Department of Agriculture and Commerce and Southeastern Specialty Foods Corp., the seminar will focus on lender financing for growers.

The meeting will begin at 9 a.m. at the Sawmill Ramada Inn in Laurel and end with a guided tour of a new muscadine juice processing plant in Ellisville.

Speakers will explain the merits of these rapidly growing agricultural industries and how local banks can participate in their growth.

For information, contact Guy Feltenstein with the Mississippi Department of Agriculture and Commerce, 601-693-0602.

Forestry jamboree set Oct. 18

There will be plenty of prize money given away to contest winners of the Magnolia Foresters Jamboree at the Mississippi Agriculture and Forestry Museum in Jackson, Saturday, Oct. 18.

Contests during the day will include the following: crosscut saw contest, chopping contest, precision cutting contest, disc stacking contest, speed cutting contest and hot saw contest. First place winners will receive \$200 cash awards.

Registration for these events will be at 10 a.m., and there will be a modest entry fee charged for each.

At the Mississippi Heritage Arts and Crafts Building from 11 a.m. until noon there will be a chair caning demonstration. Forestry equipment also will be displayed on the museum grounds during the day.

The museum's authentic sawmill, which dates back to the 1920s will be dedicated at noon. It was moved from its original site in Jefferson Davis County. Sawmills were important to Mississippians during the early 1900s because they provided lumber for growing towns and surrounding rural communities.

At 1 p.m. and 3 p.m. the Capital City Cloggers will perform on the Amphitheatre stage. Museum visitors will enjoy watching this unusual style of dance.

Events for the Magnolia Foresters Jamboree will take place from 10 a.m. until 5 p.m. In case of rain, the jamboree will be held on Sunday, Oct. 19. The museum is on Lakeland Drive at Interstate 55 North, Exit 33. Admission is \$3 for adults and \$1 for children.

The true Creole or Cajun bordelaise sauce, different from the classic bordelaise of French cuisine, is made only with butter, olive oil, garlic and seasonings, and tasty with just about everything.

Well, perhaps not everything - I've never tried it with ice cream, of course, but I must confess that in my opinion, at least, a generous sprinkling of cayenne pepper does wonders for a scoop of vanilla ice cream!

Try it - it's a taste treat to which I was introduced many years ago by a Creole friend in New Orleans, and have enjoyed ever since, despite the disbelieving looks which may come my way!

Back to the bordelaise - it's a delicious, simple sauce for pasta, especially good with shellfish or over steak. One of my favorite ways of enjoying this treat is:

SPAGHETTI

SHRIMP BORDELAISE

1 lb. shrimp, shelled
Spaghetti, fettucini or whatever
1/2 stick butter
2 Tbsp. Olive oil
2 green onions, chopped
2 Tbsp. parsley, minced
2 Pods garlic, chopped
In a heavy saucepan, melt the butter over low, low heat, add the olive oil, next the garlic and green onions, along with dashes of pepper and cayenne, and salt, if you wish.

Cook the garlic until it barely starts to brown a bit, add the shrimp and the parsley, and cook a bit more until the shrimp are barely pink - don't overcook, whatever you do!

Serve over freshly cooked spaghetti or other pasta, or mix it all together, as you prefer. (Four to six servings).

Bordelaise sauce is also delicious when you substitute oysters for the shrimp in this dish. I like it also just "as is" served over the pasta, or mixed in well, with freshly grated Romano and Parmesan cheeses lavishly dusted over the dish.

Or, you may want to add bits of ham or sausage - in other words, it's a diner's choice dish! And, it's a welcome change from the usual tomato-meat sauce for spaghetti.

SIN AND RESTORATION OF SIMON PETER (No. 1)

Jesus had prayed for the cup of death to be removed, but he added "nevertheless not my will, but thine, be done." (Luke 22:42)

Then Luke tells us, "And there appeared an angel unto Him from heaven, strengthening Him. And being in agony He prayed more earnestly: and His sweat was as it were great drops of blood falling down to the ground."

"And when He rose up from prayer, and was come to His disciples, He found them sleeping for sorrow, and said unto them, 'Why sleep ye? Rise and pray, lest ye enter into temptation.'"

"And while He yet spake, behold a multitude, and He that was called Judas, one of the twelve, went before them and drew near unto Jesus to kiss Him. But Jesus said unto Judas, 'Betrayest thou the son of man with a kiss?'"

"When they which were about Him saw what would follow, they said unto Him, 'Lord, shall we smite with the sword?' And one of them smote the servant of the high priest, and cut off his right ear. And Jesus answered and said, 'Suffer ye thus, far.' And He touched his ear, and healed him."

"Then Jesus said unto the chief priests and captains of the temple, and the elders, which were come to Him, 'Be ye come out, as against a thief, with swords and staves? When I was daily with you in the temple, ye stretched forth no hands against me: but this is your hour, and the power of darkness.'"

"Then took them Him, and led Him, and brought Him into the high priests' house. And Peter followed afar off. And when they had kindled a fire in the midst of the hall, and were set down together, Peter sat down among them."

"But a certain maid beheld Him, and said, 'This man was also with Him.'"

"And he denied Him, saying, 'Woman, I know Him not.'"

"And after a little while another saw him, and said, 'Thou art also of them.' And Peter said, 'Man, I am not.'"

"And about the space of one hour after another confidently affirmed, saying, 'Of a truth this fellow also was with Him; for he is a Galilean.' and Peter said, 'Man, I know not what thou sayest.'"

"And immediately while he yet spake, the cock crew. And the Lord turned, and looked upon Peter. And Peter remembered the word of the Lord, how he had said unto him, 'Before the cock crew, thou shalt deny me thrice.'"

"And Peter went out and wept bitterly." (Luke 22:43-62)

Conway Twitty, Willie Nelson, John Schneider to headline entertainment at state fair

Country entertainers Conway Twitty, John Schneider, Willie Nelson, Chaka Khan/Maze and Hulk Hogan will headline this year's Mississippi State Fair set to open Wednesday, Oct. 1 in Jackson.

The fair runs through Sunday, Oct. 12 at the state Fairgrounds Complex.

"I don't know of any other fair in the country that can say it has as many top names at the same time," said Agriculture Commissioner Jim Buck Ross, also chairman of the State Fair Commission, which sponsors the fair.

"Not only do we have outstanding names appearing in the Mississippi Coliseum but also in the Mississippi State Fair Theatre. It's a winning combination any way you look at it," said Billy Orr, fairgrounds manager and executive director of the fairgrounds commission.

Twitty, Schneider, Nelson, Hogan and Chaka Khan/Maze will appear at shows requiring tickets. Admission to the Twitty/Schneider concert at 2:30 p.m. Sunday Oct. 5 is \$12.50. Tickets to Nelson's show 7:30 p.m., Thursday, Oct. 9 are \$13.50. Tickets to Hulk Hogan show Saturday, Oct. 4 at \$13.50 and to Chaka Khan and Maze, Friday Oct. 10, 8 p.m. are \$10.

Tickets are on sale at the coliseum box office, through the mail and at other ticket outlets. By purchasing advance tickets, fairgoers can get free admission to the fair. Parking is \$1.

Both Twitty and Schneider have had recent hits. Twitty, hailed as the "Best Friend A Song Ever Had," is the only performer in the world of popular music who can boast of 50 No. 1 hits. A recent hit was "Desperado Love." Schneider's recent hit was "You're the Last Thing I Needed Tonight."

Since leaving the television show, "Dukes of Hazard," Schneider has had several hits including "You Don't Have to Say You Love Me." He's among nominees for the Country Music Association's Horizon Award. The award, which honors the country act that has showed the most significant creative growth, will be presented Monday, Oct. 13 in Nashville.

Nelson, considered a legend in his time, is among nominees for the Country Music Association's Hall of Fame. Winners will also be announced Oct. 13.
